- Professional development opportunities encouraged and supported
- Highly competitive compensation
- Strong mentorship program and support provided through interprofessional health team
- Opportunities to have deep and long-lasting impacts on the lives of patients and the community

Are You the Ideal Candidate to Join our Team?

As an RMT at The Fix, you are proficient in your practice, have a growth mindset, and are unyielding in striving to provide the best care and service to your patients and clients. You have a curious mind, and a fascination with the human body and movement. You have a keen interest in rehabilitation, mobility and strength training, and your actions and lifestyle reflect your belief that movement is medicine. You employ a full range of evidence-based techniques into your clients and patients' treatment plans. You view the body as an integrated functional unit and know how to get to the root of your patients' issue(s) to ensure long-lasting and rapid results. You cooperate with other branches of medical science referring patients to other practitioners for diagnosis or treatment when appropriate. You collaborate with your colleagues at The Fix to provide patients with a truly integrative form of health care. If this sounds like you, we would love to invite you to join our dynamic team at our cheerful, upbeat, welcoming facility!
